

If Only...!

HHREC Benefit Honors the Joseph Family

The Mamaroneck Beach & Yacht Club was warm and welcoming as the winds howled outside on the unusually frigid October evening that the HHREC presented Micki & Gary Joseph with our Spirit of Humanity Award. Benefit co-chairs this year were Ellen and Scott Baken of Scarsdale and “Mike” and David Faust of Larchmont. Once again we express our thanks to board member Bernard Rosenshein for donating the use of the club for the evening.

The speech Gary Joseph prepared for the evening captures why Holocaust education is so important. We wanted to share some excerpts with all of you, along with photos from this memorable evening.

Excerpts from Gary Joseph’s Spirit of Humanity Speech HHREC ANNUAL BENEFIT, OCTOBER 2008

“...Simply put, the Center uses a tool that we have always believed in – education – to carry out a mission that touches us deeply, in part because of our own family history. Through its many outstanding programs, the Center primarily enables middle and high school teachers to achieve their goal of instilling in their students a deep understanding not only of the horrific events of 1933-1945, but also of the lessons of those years as they apply to individual and social action. Both in the classroom and at our student leadership training institutes, the students are taught to speak out against bigotry and prejudice, and to organize and support efforts to oppose human rights abuses where they occur... **If Only** the Holocaust had brought an end to atrocities, genocide and human rights

abuses. But it did not. Think Darfur, Bosnia, Rwanda...the list goes on.

Micki and I see ourselves as one small link in a chain that goes from generation to generation... We are particularly concerned to ensure that for present and future generations, the events of the 20th Century will not be relegated to a paragraph in the history books.

It has always been one of our goals to instill in our own children a profound sense of social justice, driven by an awareness of history and of current human rights issues. So the Holocaust and Human Rights Education Center was always a perfect fit for us... to... ensure that the next generation recognizes the urgency of its mission and resolves to act upon it.”

Thank You for your 2008 Donations

And thank you for your dedication to our mission. We need your support to continue in 2009.

MISSION:

HHREC

Holocaust &
Human Rights
Education Center

The Holocaust and Human Rights Education Center is an interfaith, not-for-profit organization serving Westchester, Putnam and Fairfield Counties. Our mission is to enhance the teaching and learning of the lessons of the Holocaust and the right of all people to be treated with dignity and respect. We encourage students to speak up and act against all forms of bigotry and prejudice.

Speakers Bureau Thank-You

Each year our volunteer Speakers Bureau of Holocaust survivors, liberators and rescuers share their personal histories with thousands of area schoolchildren and their teachers.

Following is one of the most memorable thank-yous we have received recently, from Abbe Marcus at Congregation Sons of Israel in Briarcliff.

"We know that when we schedule a survivor to speak to our Hebrew School through you, we are assured of someone who can convey and teach this horrendous period of history in an age appropriate and meaningful way. Each year, feedback from students and parents about your speakers is overwhelmingly positive. When we can give our students an opportunity to learn from someone who can say, "I was there and this is what happened to me!" then this learning experience becomes an enduring understanding that will be passed on to other generations."

To schedule a speaker for your school or community organization, please contact Susan Rothschild at 914.696.0738.
